

MANG2049 Digital Profile – Self Test at start of module

Please indicate on a scale of 1 – 5 (where 1 is no experience, and 5 is very experienced) how you would rate your current level of digital literacy against the following criteria:

	Rating at start of module	Comments	Rating at end of module	Comments
Accessing, managing and evaluating online information	3	As a student, I have been greatly exposed to the use of the Internet to source for information for projects or general interests since a very young age.		
Participating in online communities	1	I have not participated in online communities before		
Building online networks around an area of interest	2	I enjoy exploring various make-up styles and looks, so I will usually go online to look for other people's sharings.		
Collaborating with others	4	I use to have forums and blogs a few years back where I use it in a way that I pen down my day to day activities just to share with my close group of friends. We would connect with each other on these various platforms.		
Creating online materials (text, audio, images, video)	3	I have some knowledge in this as in my Diploma course, we are required to create our own website and youtube videos – very minimal basic knowledge		
Managing your online identity	4	I am rather active in terms of my online identity. I have my own Facebook, Twitter, Instagram and personal Wordpress account.		
Managing your online privacy and security	3	I'm not particular in terms of this, all my social media platforms are not private. The public is able to view it.
